Parking at the Hobby Center

The Hobby Center is located at
800 Bagby Street

I-45 Traveling North (From Galveston),
Exit Houston/Memorial

I-45 Traveling South (From The Woodlands), Exit
McKinney

The Hobby Center Garage is complimentary for all Brachot attendees but subject to availability. Entrances are located on Rusk and Walker streets. Overflow Parking is available in Theater District Parking Garages with entrances on both Rusk and Capitol Streets, when necessary.

The designated area for pickup and drop-off is in front of the building on Walker Street, near the statues.

Inside the Hobby Center

The theatre lobby will open 60 minutes before the show, and seating typically begins 30 minutes before the curtain.

For your safety and security, all bags are subject to inspection before entering the theater. Please allow extra time prior to your performance. Over-sized bags, luggage and backpacks may not be permitted inside the venue.

Walkthrough metal detectors are also used as part of this security check.

Patrons may be refused entry if they are in possession of prohibited items including, but not limited to: alcoholic beverages, illegal drugs, food, drinks, glass/plastic/metal containers, video recorders, audio recorders, laptops, laser pointers, backpacks, knives, mace, pepper spray, weapons of any type (including pocket knives), unauthorized noise makers, glitter, confetti, streamers, helium balloons, parcels or packages, inflatables, skateboards, hoverboards, selfie sticks, GoPros, or large bags of any kind.

A concession stand is located in the lobby and will offer an assortment of kosher candies, snacks and beverages, including wine and cocktails.

If you need help, Beth Yeshurun and Hobby Center volunteers are available to provide any help you may need.

Members of the Hobby Center's Access Team are available to assist patrons with mobility needs.

Look for their bright yellow polo shirts.
